Present Condition: Good.

Number of Stories: Three.

Materials of Construction: Brick.

Other Existing Records: See text.

Additional Data: See following pages.

HUN HOUSE
149 WASHINGTON AVE.
ALBANY, N. Y.

This house was built about 1820 by a Mr. Wood. The characteristics of the interior details unquestionably point to the fact that Philip Hooker was responsible for the design of the house if he was not actually the Architect.

The house was bought by Dr. Henry Hun about 1896 and is still owned by his son, Dr. Henry Hun.

Herman Loth,
Author.

Revised 1936 H.C.F.
